

## Alliance Bank Named One of Indiana's Best Places to Work

FRANCESVILLE- Alliance Bank was recently named as one of the Best Places to Work in Indiana. The statewide survey and awards program is designed to identify, recognize and honor the participating employers in Indiana with the leading workplace cultures. The list is made up of 125 companies. This 14th annual program was created by the Indiana Chamber of Commerce and Best Companies Group.

“Our Alliance Bank team is strong because we support one another and work together toward common goals,” shared Bank President Shane Pilarski. “We are proud to be a community bank. Our employees develop relationships with our clients because we care about them.

They are our neighbors,

friends and family. We are all growing together.” Pilarski was able to announce the award to employees at a recent company-wide meeting. “I believe Alliance Bank is a great place to work because it is more than a job, it’s a community of people that care and invest in those around them.”

To be considered for participation, companies had to fulfill the following eligibility requirements:

- Be a for-profit, not-for-profit business or government entity;
- Be a publicly or privately held business;
- Have a facility in Indiana;
- Have at least 15 employees working in Indiana;
- Be in business a minimum of 1 year.

“We have many tremendous employers in the state, so it’s great to see more and more companies take part in this effort to evaluate their workplace cultures and gain the recognition they deserve,” says Indiana Chamber President Kevin Brinegar. “These companies consistently demonstrate to their employees how much they value their contributions.”

Companies from across the state entered the two-part survey process to determine the Best Places to Work in Indiana. The first part consisted of evaluating each nominated company’s workplace policies, practices, philosophy, systems and demographics. The second part consisted of an employee survey to

measure the employee experience. Best Companies Group managed the overall registration and survey process in Indiana, analyzed the data, and determined the final rankings.

“Someone once said that if you love your job, you’ll never work a day in your life,” shared Cathie Williams, the Office Manager at Alliance’s main office in Francesville. “They must have been talking about Alliance Bank. We work hard, but we are surrounded by people who care. That makes it all worthwhile!”
