### Alliance Bank's Junior Board of Directors Tours Fratco

**Pulaski and White Co.** - On October 3rd, 2018 the Alliance Bank Jr. Board of Directors took a visit to Fratco in Francesville.

Fratco's Bill Champion and Jackie Sanchez lead the Alliance Bank Junior Board of Directors on a plant tour.

Founded in 1923, Fratco has been providing people with drainage material for all the needs of people. Fratco started out by making clay drainage tile and has flourished into a 4-location company. As the industry shifted from clay to plastic, and then to recycled materials, and then to zero-ease, most companies couldn't adapt to the new ways, but Fratco could. They made giant leaps and strides to always find ways to adapt to the changing industry. Fratco strives to be the best they can, with a focus on quality and service. They believe that quality and service is what everyone should be focusing on.

The Alliance Bank Jr. Board of Directors was given a tour of the Fratco plant. The tour was led by COO of Fratco, Bill Champion and Plant Assistant Jackie Sanchez. The Jr. Board of Directors was taken through the whole facility's at Fratco and saw where pipe was cut, made, molded and other aspects that go into making drainage pipe. They also were given information on job opportunities and specific jobs at Fratco.

Alliance Bank is proud to be your local Real Community Bank® with offices in Francesville, Monon, Monticello, Otterbein, Oxford, Rensselaer, and Winamac.
