### Alliance Bank Supports Team Kelsie

**Northwest Indiana** – Kelsie Zellers has fought illness her entire life. A constant cold that always made it difficult to breathe. It wasn't until this winter that the Alliance Bank Winamac Office Manager learned that she has been battling Cystic Fibrosis all this time. Typically detected at birth, Kelsie's rare Atypical CF has milder symptoms that are centralized to the lungs. Thankful for her optimistic diagnosis, Kelsie wants to do what she can to support other CF patients.

Backed by her co-workers at Alliance Bank, Team Kelsie recently participated in the Lafayette Great Strides Walk for the Cystic Fibrosis Foundation. Employees went purple for a casual day in May and donated to the cause. Their contributions, matched by the Bank, added up to a gift of \$1,700 to the Cystic Fibrosis Foundation.

Alliance Bank is honored to be a locally-owned community bank serving families, farmers and local businesses in Francesville, Monon, Monticello, Otterbein, Oxford, Rensselaer, Winamac and the surrounding areas.
