

OUR OFFICES WILL  
BE CLOSED ON  
SATURDAY, JULY 4TH

*Celebrating our Freedom...*

With many community events cancelled, families are likely to purchase their own fireworks or participate in neighborhood displays. Please follow these safety tips to prevent injury and fire. We want everyone to have a SAFE and FUN 4th of July!

- Never allow children to handle fireworks. Even sparklers can be very dangerous. Try alternatives such as glow sticks or confetti poppers.
- Fireworks and alcohol do NOT mix. Be sure to stay sober if you will be in charge of the fireworks entertainment.
- Keep your distance. Fireworks should be lit far from structures, people, and flammable materials.
- Do not try to relight or handle malfunctioning fireworks.
- Keep water close to extinguish flames and soak both spent and unspent fireworks.
- Be respectful of your neighbors. Not all people and pets enjoy fireworks; try to give them a heads up and follow local ordinances.

## GROWING TOGETHER
