

## Lilly Match Triples Alliance Bank Gift

**Northwest Indiana** – Community Foundations across the state are growing, thanks to a generous match from Lilly Endowment Inc. Alliance Bank employees took advantage of the 2:1 offer and supported the Community Foundation of Pulaski County with their second quarter *Casual for a Cause* giving. Employee donations, matched by the Bank, totaled a gift of \$1,690 to the Community Foundation. When matched by Lilly Endowment Inc., the gift will equate to a total of \$5,070 added to the Community Foundation's grantmaking endowment.

Each quarter Alliance Bank employees select a charity to support in one of the four counties where they have offices – Benton, Jasper, Pulaski and White- with their *Casual for a Cause* program. In 2018, Alliance Bank made donations totaling \$49,800 to local non-profit organizations. A gift of \$1,630 was given to the Jasper County Historical Society at the end of the first quarter this year.

The first Indiana Community Foundation was established in Indianapolis over 100 years ago, but most of our state's Foundations were started in the 1990's through an initiative by Lilly Endowment Inc. Over the last 30 years the GIFT (Giving Indiana Funds for Tomorrow) initiative has encouraged philanthropy and used several match opportunities to stimulate local giving. Today, there is a community foundation serving every county in Indiana. Collectively, they hold assets of approximately \$4 billion that produce perpetual funding for grants and scholarships in their local communities. To learn more about how you can get involved or take advantage of this Lilly Endowment Inc. match, contact your local Community Foundation.
