

Alliance Junior Board Learns Industry

Article By: Tomie Ibarra, Junior Board Marketing Director

White Co.- In the month of October, the Alliance Bank Junior Board of Directors visited Girtz Industries. Ever since 1963, Girtz Industries has been a leader in power modules and enclosures. They design and manufacture Power Modules and Enclosures for Gensets, Chillers, Boilers, and Switchgear for such notable clients as, Caterpillar, Cummins, and have even done contract work for the US military. While there, the Junior Board of Directors was able to talk to plant manager Tyson Mellon, who gave them a tour of the plant, and showed them all the different types of equipment and products the plant manufactures.

Junior Board of Directors

Alliance Bank created the Junior Board of Directors in 2015 as a means to develop leadership skills in local students while connecting them with businesses and service organizations in their communities. The Junior Board includes 15 juniors and seniors from Twin Lakes, North White, Winamac and West Central High Schools. Alliance Bank is a proud community bank serving clients in Francesville, Monon, Monticello, Otterbein, Oxford, Rensselaer, Winamac and surrounding communities.
